NEWS FLASH: ALEC BALDWIN

Alec Baldwin. We've been asked a lot about this. Our thoughts can be summarized by these two YouTube videos, but in short:

FILMING A MOVIE IS NOT THE SAME AS SHOOTING ON A RANGE WHEN IT COMES TO GUN SAFETY.

IMPORTANT - AURORA CITY COUNCIL BALLOTS DUE TOMORROW!

In an attempt to further erode our Second Amendment rights, this past year, the State Legislature passed and Governor Polis signed SB 256 (as outlined in our attorney's Legislative Update, viewable [HERE](#)). This new state law grants local governments (Cities and Counties) the authority to add more restrictive local gun laws to the books.

There are two candidates running for the two open City Council At-Large seats who will be unwavering supporters of the Second Amendment. They have committed to fighting any and all attempts by the City Council to take gun rights away. Dustin Zvonek and Danielle Jurinsky are the only two candidates of the six running in the At-Large race we can count on to protect our freedoms.

Local elections historically have low turnout, let's not allow our rights to be taken away. When you get your ballot vote for BOTH Dustin Zvonek and Danielle Jurinsky for Aurora City Council.

Skyline Firearms will be a collection point for Guns For Everyone's Toy Drive this November!
