LOCAL 2A ALERT

Greenwood Village is having a town hall meeting to discuss **banning Home-Based FFL businesses**. I know many of you do not reside in Greenwood Village, but this is still very important.

We (Skyline Firearms Distribution) are a Home-Based FFL, and we pride ourselves in providing a more comfortable and judgment free firearms buying experience. We provide one-on-one interactions, and take the time to really answer your questions, and make sure you fully understand the firearm you are purchasing. We don't judge you based on how much money you want to spend, what your political affiliation is, whether you have tattoos on your face, or any of the other reasons people don't feel comfortable at a conventional gun shop.

We are concerned that if the Greenwood Village ban goes through, that a precedent will be set, and other cities (and possibly even the state as a whole) will consider implementing similar bans.

It is important that you attend this town hall meeting and make your voices heard. Even if you don't live in Greenwood Village, it is still very important. It is one thing for a business owner to try and fight these regulations, but it is even more important for our clients to stand up for us!

**Monday, June 6th @ 7:00pm
6060 S Quebec St.
Greenwood Village, CO 80111**

We hope to see you there!
