## GOOGLE LISTING UPDATE

Google has disabled our business profile listing a couple weeks ago. This includes our Google Maps listing and all of our reviews. Everything is still there, just not visible to the public. **THIS DOES NOT MEAN WE ARE CLOSED, WE ARE STILL HERE, AND STILL IN BUSINESS!**

I believe what happened is that many people would navigate to our location without knowing that we are a home-based operation. When they arrive, they leave negative feedback on the navigation to Google, stating there is not a business at this address. We have addressed this with Google, and they are sending a verification postcard to us to hopefully get us back online. Once back, we will try to update the profile to reflect our home-based status in the best way possible.

## SILENCER PURCHASES

We have significantly streamlined the process of purchasing a silencer, making it easy and convenient for everyone to get into silencer ownership! The initial appointment to accomplish all of the prerequisites for silencer purchasing (account creations, payments, fingerprinting, photo, etc) can all be accomplished in a single 1-Hr long appointment!

In many instances, these appointments are completed in 30-45 minutes!

Plus, silencers aren't as expensive as everyone thinks. Sure, you have to pay for a \$200 tax stamp, but there are excellent silencers on the market for .22LR, 5.56 NATO, and 9mm that cost as low as \$400-\$600 before taxes and fees!

Call or text us today if you want to explore this GREAT way to shoot!

## FALL FINESSE

## NEW REFERRAL PROGRAM

This situation has caused us to implement a new referral program for existing clients. If any of our clients refer someone to us, and that person ends up purchasing any firearm, the person that referred the new buyer AND the new buyer will BOTH receive a 5% off coupon for their next purchase!

Simply send someone our way, or even better, bring them in, and if that person makes a purchase you both get a 5% off voucher!
